

Wednesday.

We have just come in from a lovely
mutter run to Tongue & Betty Hill
& went all through those hills.
Lipish beautiful all the way had
heavy showers but I think that
helped the effect. I am glad you are
waiting on my return. Thank you very
much. I think the photo good but not
so good. Glad to hear all are well
& much success. Much love to both
Yours A. G. W.
